## Whitley Strieber's "Communion": Prepare for Liftoff (Your Heart, That Is!)

Alright folks, gather 'round, because we're about to talk about a book that's less a read and more a full-blown cosmic hug: Whitley Strieber's **Communion: A True Story**. If you've ever looked up at the night sky and wondered "What if?", or if your childhood imaginary friend still has a cozy corner in your heart, then buckle up, buttercup. This is the ride you've been waiting for.

First off, let's talk setting. Strieber doesn't just describe a place; he \*invites\* you in. Imagine your most peaceful, most mysterious, and perhaps slightly bewildering dreams. Now, amplify that. You'll find yourself whisked away to landscapes that defy easy description – places both intimately familiar and utterly alien. It's like stepping into a kaleidoscope painted by the universe itself. You'll be turning pages, a little unnerved, a little awestruck, and wondering if you accidentally left your porch light on for visitors from another dimension.

But here's the real magic of *Communion*: it's dripping with emotional depth. Strieber lays himself bare, sharing his experiences with a vulnerability that's both brave and disarmingly honest. He grapples with fear, confusion, and ultimately, a profound sense of connection that transcends earthly understanding. It's the kind of stuff that will make you pause, reflect on your own life, and maybe even shed a tear or two. But don't worry, these are good tears. These are the tears that come from recognizing something deeply true within ourselves, even if it's wrapped in a package of the extraordinary.

Now, you might be thinking, "But is this for \*me\*?" Let me tell you, this book has a universal appeal that's as vast as the cosmos Strieber explores. Whether you're a seasoned literature enthusiast who devours Dickens for breakfast or a young adult just starting to explore the wonders of the written word, *Communion* will grab you. It taps into those primal questions we all have, regardless of age: Who are we? Where do we come from? And are we truly alone?

**Imaginative Setting?** Oh boy, it's like your wildest dreams had a baby with a science fiction novel and then sent it on a spiritual retreat.

**Emotional Depth?** Prepare for your heartstrings to be plucked, serenaded, and then possibly restrung with stardust.

**Universal Appeal?** From your wise old grandma to your curious pre-teen, everyone has a little bit of Strieber's journey waiting to resonate with them.

*Communion* isn't just a story; it's an experience. It's a testament to the boundless possibilities of existence and the quiet power of the human spirit to seek understanding, even in the face of the incomprehensible. It's the kind of book that stays with you long after you've closed the cover, popping up in your thoughts during quiet moments, making you look at the world, and perhaps yourself, a little differently.

**This book is a timeless classic, a shimmering beacon in the landscape of**

**literature.** Whitley Strieber invites us on a journey that is as profound as it is unforgettable, challenging our perceptions and opening our minds to the extraordinary that often hides in plain sight. For literature enthusiasts and book lovers alike, *Communion* is an absolute must-read. It's a story that captures hearts worldwide because it speaks to the deepest parts of our shared humanity, wrapped in the enigma of the unknown.

**My heartfelt recommendation?** Dive in. Let yourself be swept away. *Communion* is more than a book; it's a doorway. And on the other side? Well, that's part of the magic you'll discover for yourself. This book is an enduring masterpiece that continues to captivate and inspire. **It's a journey you won't regret taking.**

we forget so much of childhood but why and why does at least some of it seem like such an important loss in this ground breaking book strieber explores the strangeness of childhood and posits that the essential innocence of children is unearthly and that this must be because of alien visitation and education in our early years he presents an argument using his own research and experiences of alien visitation to support his theory that we are being invaded by alien communities from other planets which are essentially good and that they leave us when we become adults leaving us with a constant sense of their missing presence

a mind bending invitation to experience the impossible as fundamentally human from precognitive dreams and telepathic visions to near death experiences ufo encounters and beyond so called impossible phenomena are not supposed to happen but they do happen all the time jeffrey j kripal asserts that the impossible is a function not of reality but of our everchanging assumptions about what is real how to think impossibly invites us to think about these fantastic yet commonplace experiences as an essential part of being human expressive of a deeply shared reality that is neither mental nor material but gives rise to both thinking with specific individuals and their extraordinary experiences in vulnerable open and often humorous ways kripal interweaves humanistic and scientific inquiry to foster an awareness that the fantastic is real the supernatural is super natural and the impossible is possible

since she had a brain hemorrhage in 2004 anne strieber the wife of famed writer whitley strieber has lived a life of miracles and in this book anne and whitley share their stories of her near death experience her miraculous recovery and the life of miracles that has followed now anne faces an even greater challenge a brain tumor excellent care and a holistic joyous approach to the challenge has given her a real chance against what is

usually a devastating disease the striebers who have been happily married for 42 years bring the wisdom and the love of their long marriage to their new challenge and find that in adversity like this it is possible to find the true miracle of why we live our lives in the first place life is the miraculous journey death at once an end and a joyous new beginning for anyone facing serious illness or just wondering how to cope when they enter this inevitable stage of life miraculous journey offers wisdom and support and for those dealing with strokes and brain tumors it is full of treatment insights valuable knowledge and comfort

after telling the world of his remarkable contacts with apparent aliens in his mega bestsellers communion and transformation whitley strieber suddenly and mysteriously retired from public life in 1989 at the time he said only that he would not return until he had something fundamentally new to say about the beings he had come to call the visitors what had happened in 1989 was that he had gotten compelling proof that the visitors were real his first impulse was to rush this information to press but then he stopped concerned that publication might be interpreted as some kind of signal to the visitors to initiate wider contact he was worried what this might mean not all encounter experiences were good people were afraid strieber himself was afraid what has happened to whitley strieber is completely without precedent there has never been an unexplained experience so carefully documented or extensively witnessed by others he has passed four lie detector tests he has been examined for many diseases both physical and mental not only is he entirely normal the proof he advances in this book would convince a jury book jacket title summary field provided by blackwell north america inc all rights reserved
