localization is everywhere in our digital world from apps to websites or games our interconnected digital world functions in part thanks to invisible localization processes that allow global users to engage with all sorts of digital content and products this textbook presents a comprehensive overview of the main theoretical practical and methodological issues related to localization the technological textual communicative and cognitive process by which interactive digital texts are prepared to

be used in contexts other than those of production localization in translation provides an interdisciplinary introduction to the main practical and theoretical issues involved in localizing software web video games and apps it discusses the many technological cultural linguistic quality economic accessibility and user reception issues related to the different localization types it also provides an updated overview of localization in an ever changing technological landscape marked by advances in neural machine translation and ai each chapter includes a basic summary key questions a final section with discussion and assignments as well as additional readings online resources with additional questions and assignments are included on the routledge translation studies portal this is the essential textbook for advanced undergraduates and graduates in translation studies and translation professionals engaged in localization practice

learn to live the message of the good samaritan and make a global impact using the resources already at your disposal if there were a popularity contest among all the parables of jesus the good samaritan would probably win nobody is against the good samaritan because being against the good samaritan is like being against mother theresa or oskar schindler or the firefighters who ran into the world trade center in that same popularity contest the shrewd manager would probably finish last the shrewd manager is lazy deceitful and double crossing yet in this alluringly freakish parable jesus actually holds up the shrewd manager as an example as he does with the good samaritan this book is about learning to live the message of the good samaritan in the context of the globalized world of the twenty first century this means learning to love our global neighbor wisely by harnessing the resources at our disposal our time talents opportunities and money on behalf of those who are victims of injustice disease violence and poverty the early disciples were pretty clueless about worldly resources such as time talent and money and unfortunately today we still don t really get it there are too many kind well intentioned twenty first century people with indisputably good intentions but whose impact on the needy is hampered by their inability to diagnose problems properly harness the resources available to them to solve the right problems and understand cause and effect relationships shrewd samaritan will help develop a framework to better love and care for our neighbors in an age of globalization when the people in our neighborhoods or at least those in our potential sphere of influence has expanded dramatically increasingly it will become our global neighbor who takes us out of our comfort zone and challenges us with the needs of a broken world

docat is revealing the secret to young people around the world docat helps young people to know and live catholic social teaching it s a great practical follow up to youcat the hugely popular youth catechism based on the catechism of the catholic church drawing on scripture youcat the catechism and the compendium of catholic social teaching docat shows young people how to work toward building a civilization of love features include popular q a youcat style tackles tough questions about social justice and related issues lots of full color photos with young people and others inspirational and insightful quotes including comments from st john paul ii mother teresa pope francis pope benedict written with help from church leaders business leaders social activists and young people guides young people in conscience formation and catholic action on social
